

MEMORANDUM OF UNDERSTANDING (MoU)

FOR CYBER SECURITY EXCELLENCE, INDUSTRY SKILL DEVELOPMENT, RESEARCH, INNOVATION, EMPLOYABILITY, CYBER RESILIENCE AND CAPACITY BUILDING

BETWEEN

SCHOOL OF SKILL SCIENCES & ENTREPRENEURSHIP

GALGOTIAS UNIVERSITY

Greater Noida, Uttar Pradesh, India

(Hereinafter referred to as "**GU**")

AND

QUNIT TECHNOLOGIES PRIVATE LIMITED

B-7, 1st Floor, Sector -2,
Noida, U.P-201301

(Hereinafter referred to as "**Qunit**")

GU and Qunit are hereinafter collectively referred to as the "**Parties**" and individually as a "**Party**".

1. PREAMBLE

WHEREAS, Galgotias University is a multidisciplinary institution committed to excellence in education, research, innovation, entrepreneurship, skill development, industry engagement, and societal impact through advanced academic and professional programs;

AND WHEREAS, Qunit is a leading technology and cyber security organization engaged in cyber defence, security operations, cyber resilience, threat intelligence, incident response, cyber consulting, digital transformation, cyber security training, and emerging technology solutions;

AND WHEREAS, both Parties recognize the increasing importance of cyber security, digital trust, cyber resilience, and workforce development in safeguarding digital ecosystems and supporting national priorities;

AND WHEREAS, the Parties desire to establish a strategic partnership for advancing cyber security education, industry engagement, research, innovation, professional development, and employability initiatives;

NOW THEREFORE, the Parties agree to enter into this Memorandum of Understanding ("MoU") on the following terms and conditions.

2. OBJECTIVES

The objectives of this MoU are to:

- a) Provide cybersecurity domain expertise, advisory support, and solution architecture guidance for the establishment and development of a Cyber Security Centre of Excellence (CoE).
- b) Strengthen industry-academia collaboration in cyber security and emerging technologies.
- c) Develop industry-ready cyber security professionals through experiential learning.
- d) Promote research, innovation, and cyber security product development.
- e) Facilitate internships, mentorship, certifications, and placement opportunities.
- f) Advance cyber resilience and cyber awareness across academia and industry.
- g) Foster entrepreneurship and startup development in cyber security.
- h) Support national initiatives relating to cyber security, digital transformation, and cyber workforce development.

3. STRATEGIC PILLARS OF COLLABORATION

The collaboration shall be built around the following strategic pillars:

Pillar 1: Cyber Security Excellence & Infrastructure

Pillar 2: Talent Development, Skilling & Certifications

Pillar 3: Academic & Industry Engagement, Employability & Mentorship

Pillar 4: Research, Innovation & Entrepreneurship

Pillar 5: Ecosystem Development & Thought Leadership

4. AREAS OF COLLABORATION

The Parties may collaborate in the following areas:

4.1 Cyber Security Centre of Excellence (CoE)

- Guidance on the CoE vision, scope, and operating model.
- Sharing of cybersecurity best practices, frameworks, and reference architectures.
- Advisory support on cybersecurity capabilities, services, and solution architectures.
- Collaboration on training, workshops, research, and innovation initiatives.
- Facilitation of industry engagement and cybersecurity knowledge exchange programs.

4.2 SOC & Cyber Range Development

-
- Security Operations Center exposure programs.
 - Cyber-attack simulation environments.
 - Red Team and Blue Team exercises.
 - Security monitoring and threat detection labs.
 - Incident response simulation platforms.

4.3 Threat Intelligence & Cyber Defence

- Threat intelligence analysis.
- Security monitoring exercises.
- Threat hunting programs.
- Malware analysis.
- Cyber threat research.

4.4 Incident Response & Digital Forensics

- Incident response workshops.
- Cyber crisis management exercises.
- Digital forensic investigations.
- Evidence handling methodologies.
- Cyber resilience programs.

4.5 Cloud Security & Application Security

- Secure software development practices.
- DevSecOps initiatives.
- Cloud security architecture.
- Security testing and assessment.
- Vulnerability management.

4.6 Artificial Intelligence (AI) for Cyber Security

- AI-enabled cyber security applications.
- AI-assisted offensive and defensive security operations.
- Security automation and analytics.
- AI governance and responsible AI practices.
- AI security awareness and training.
- AI-driven cyber defense research.

4.7 Operational Technology (OT) Security

- Industrial control systems (ICS) security.
- SCADA security awareness.
- Critical infrastructure protection.
- OT security risk management.
- OT cyber resilience initiatives.

4.8 Cyber Security Governance, Risk & Compliance

- Cyber security governance frameworks.

- Risk assessment and management.
- Regulatory compliance awareness.
- Privacy and data protection practices.
- Security compliance and audit readiness.

4.9 Workforce Development & Certifications

- Industry certification pathways.
- Cyber security boot camps.
- Executive education programs.
- Professional development courses.
- Skill assessment initiatives.

4.10 Research & Innovation

- Sponsored research projects.
- Joint publications.
- White papers.
- Product development initiatives.
- Emerging technology research.

4.11 Entrepreneurship & Startup Support

- Startup mentoring.
- Innovation challenges.
- Incubation support.
- Technology commercialization.
- Investor engagement opportunities.

5. MODES OF COLLABORATION

The Parties may jointly undertake:

- a) Board of Studies participation.
- b) Curriculum development and review.
- c) Guest lectures and expert talks.
- d) Workshops and certification programs.
- e) Faculty Upskilling Programs (FUPs).
- f) Executive education programs.
- g) Joint training programs.
- h) Conferences and symposiums.
- i) Research and publication initiatives.
- j) Student internships.
- k) Industry mentorship programs.
- l) Live industry projects.
- m) Capture The Flag competitions.
- n) Cyber security hackathons.

-
- o) Cyber drills and simulation exercises.
 - p) Consultancy and advisory assignments.
 - q) Innovation and startup challenges.

6. CYBER SECURITY CENTRE OF EXCELLENCE

The Parties may jointly establish a Cyber Security Centre of Excellence. QUNIT may provide cybersecurity domain expertise, advisory support, and industry guidance, while GU may be responsible for the necessary infrastructure, investments, and operational arrangements for the CoE. The CoE shall be focused on:

- Cyber security training and certifications.
- Research and innovation.
- Security Operations Center exposure.
- Cyber Range operations.
- Threat intelligence activities.
- Incident response readiness.
- Startup and entrepreneurship support.
- Industry engagement initiatives.
- Government and community outreach.

The CoE shall be owned, funded, operated and managed by GU unless otherwise agreed through separate written agreements.

7. GOVERNANCE STRUCTURE

A Joint Steering Committee (JSC) shall be established comprising representatives from both Parties.

The JSC shall:

- Review progress periodically.
- Approve annual action plans.
- Monitor measurable outcomes.
- Facilitate strategic decisions.
- Resolve operational issues.

The JSC shall meet at least twice annually.

8. RESPONSIBILITIES OF GALGOTIAS UNIVERSITY

Galgotias University shall:

- Provide academic infrastructure.
- Facilitate student and faculty participation.

-
- Support implementation of collaborative initiatives.
 - Coordinate academic activities.
 - Promote research and innovation activities.
 - Facilitate institutional approvals.

9. RESPONSIBILITIES OF QUNIT TECHNOLOGIES

QUNIT Technologies shall:

- Provide domain expertise.
- Nominate industry experts and mentors.
- Support curriculum enhancement.
- Facilitate internships and live projects.
- Support certification programs.
- Participate in placement initiatives.
- Contribute to research and innovation activities.
- Support establishment of CoE initiatives.

10. INTERNSHIPS, MENTORSHIP & PLACEMENTS

The Parties shall endeavor to:

- Explore internship opportunities subject to business requirements and availability.
- Provide industry mentoring.
- Support capstone projects.
- Participate in career engagement and employability initiatives where feasible.
- Conduct employability enhancement sessions.
- Facilitate industry immersion experiences.

11. RESEARCH, INNOVATION & PRODUCT DEVELOPMENT

The Parties may collaborate on:

- Joint research projects.
- Security tool development.
- Security automation initiatives.
- AI-enabled cyber security solutions.
- Cyber security product development.
- Patent filing initiatives.
- Technology commercialization.

12. INTELLECTUAL PROPERTY RIGHTS

Any intellectual property generated through specific collaborative projects shall be governed through separate written agreements.

Each Party shall retain ownership of its pre-existing intellectual property unless otherwise agreed in writing.

Jointly developed intellectual property shall be governed by mutually agreed project-specific arrangements.

13. CONFIDENTIALITY

The Parties shall maintain confidentiality of all proprietary, confidential, and sensitive information exchanged during the collaboration.

Such information shall not be disclosed without prior written consent except where required by law.

14. LIMITATION OF LIABILITY

Neither Party shall be liable to the other for any indirect, consequential, or special losses or damages arising out of or in connection with this MoU.

15. DATA PROTECTION

The Parties shall comply with applicable data protection and privacy laws of India, including the Digital Personal Data Protection Act, 2023 and related regulations.

Any sharing of personal or sensitive data shall be governed through project-specific agreements where necessary.

16. COMPLIANCE WITH LAW

Activities under this MoU shall comply with all applicable laws and regulations including:

- Information Technology Act, 2000
- Digital Personal Data Protection Act, 2023
- Copyright Act, 1957
- Patents Act, 1970
- Trademarks Act, 1999
- Applicable UGC Regulations
- Applicable AICTE Regulations
- Other applicable laws

16. ETHICS AND PROFESSIONAL CONDUCT

The Parties shall maintain the highest standards of professional integrity, ethics, transparency, and accountability.

Neither Party shall engage in activities that adversely affect the reputation of the other Party.

17. BRANDING AND PUBLICITY

The Parties may use each other's name, logo, trademarks, and branding materials for marketing, publicity, and promotional activities relating to this collaboration, subject to applicable brand usage guidelines. However, the use of the names, profiles, photographs, designations, or endorsements of any industry experts, mentors, advisors, or representatives associated with QUNIT shall require prior written approval from QUNIT.

18. FINANCIAL ARRANGEMENTS

This MoU does not create any financial obligation upon either Party.

Specific activities requiring financial commitments shall be governed through separate written agreements.

Honorarium, travel reimbursement, and logistics support may be provided as per applicable institutional norms and mutually agreed arrangements.

Honorarium for Expertise is as follows:

<i>Type of Event</i>	<i>No. of Meetings</i>	<i>Day / Duration</i>	<i>Honorarium Amount (INR)</i>	<i>Taxi / Cab (INR)</i>
Board of Studies External Member / Invitees	2 per year / School / Dept	Per Day	9000	2000 (upto 100 kms), 12 per km (100-200 km)
Workshops/Seminar/ Conferences/Symposia/ Expert Lectures, etc.	Minimum 4 per year and as per the requirement of the School / Dept (Prior approval from the Hon'ble VC mandate)	2 hrs session	3600	2000 (upto 100 kms), 12 per km (100-200 km)
		4 hrs session	6500	
		6 hrs session	9000	
		8 hrs session	12000	
External Examiners (Practical/Skill/Workshop/ Project/Viva Voce/Event Judge, etc.)	2 per year / School / Dept (Prior approval from the Hon'ble VC mandate)	Rs. 50 per paper/student	Min of 1500 and Max of 5000 (Additional Papers on prorata basis)	2000 (upto 100 kms), 12 per km (100-200 km)

19. NON-EXCLUSIVITY

This MoU is non-exclusive.

Either Party may enter into similar collaborations with other organizations or institutions.

20. FORCE MAJEURE

Neither Party shall be liable for delays or failure arising from circumstances beyond reasonable control including natural disasters, pandemics, governmental actions, cyber emergencies, or force majeure events.

21. TERM AND TERMINATION

This MoU shall remain valid for a period of Five (5) Years from the date of execution.

Either Party may terminate this MoU by providing ninety (90) days written notice.

Activities already initiated shall continue unless otherwise mutually agreed.

22. AMENDMENTS

Any amendment to this MoU shall be valid only if made in writing and signed by authorized representatives of both Parties.

23. DISPUTE RESOLUTION

The Parties shall first attempt to resolve disputes through amicable consultation.

Failing such resolution, disputes shall be referred to arbitration under the Arbitration and Conciliation Act, 1996.

The seat and venue of arbitration shall be Noida, Uttar Pradesh.

The arbitration proceedings shall be conducted in English.

The arbitral award shall be final and binding.

24. GOVERNING LAW

This MoU shall be governed by and construed in accordance with the laws of India.

25. ANNUAL ACTION PLAN & MEASURABLE OUTCOMES

The Parties shall endeavor to achieve the following annually:

Academic & Skill Development

- Expert sessions.
- Faculty Development Programs.
- Industry certification pathways.

Student Development

- Internship opportunities.
- Industry projects.
- Career mentoring programs.

Research & Innovation

- Joint publications.
- Patent initiatives.
- Product development projects.

Competitions & Events

- Annual CTF Competition.
- Annual Cyber Security Hackathon.
- Annual Cyber Security Summit.

Capacity Building

- Industry awareness initiatives.
- Cyber resilience programs.

26. NODAL OFFICERS

For Galgotias University

Prof. Veer Bhadra Pratap Singh
Head, Department of Cyber Security
School of Skill Sciences & Entrepreneurship
Galgotias University

For QUNIT Technologies

Name: Ranjan Singh
Designation: Security Architect, Qunit Technologies Pvt Ltd

27. SIGNATORIES

FOR GALGOTIAS UNIVERSITY

Name: _____

Designation: Registrar / Authorized Signatory

Signature: _____
